\* HCP not allowed for PhD admits, due to constraints associated with funding. Deferral with NDO may not be possible for PhD admits, due to constraints associated with funding. Students must check with PhD advisor (or with faculty admissions coordinator in their program, if no PhD advisor assigned).

\*\* For a 1-year deferral, no NDO (non-degree-option) enrollment is needed. For a 1-qtr deferral, 1-2 classes may need to be taken in Autumn, using the NDO option, to be adequately prepared to join MS program in Winter. See [program info](#) (below) for which classes should be taken in Autumn. Up to 18 NDO units may count towards MS degree, once student matriculates. NDO enrollment is capped at 3 classes per quarter.
