

TABLE 2. FOR CONTINUING (ALREADY MATRICULATED) GRADUATE STUDENTS (updated as of 9/10)

Domestic, or International?	AY20-21 funding from Stanford?	<u>Live on/near campus</u> and enroll in Aut Qtr as regular full-time student (at least 8 units/qtr)	<u>Live remotely</u> and enroll in Aut Qtr as regular full-time student (at least 8 units/qtr)	Enroll in Aut Qtr part-time, as HCP student (min. enrollment: 3 units) -- not allowed for PhDs*	Take Leave-of-Absence (LOA) -- PhDs must confer with advisor*
domestic	funding	YES	YES* (but may need to live near campus to receive funding - must ask program)	YES* ***, but cannot receive funding	YES*, but cannot receive funding
domestic	no funding	YES	YES	YES***	YES
international, with visa	funding	YES	YES*, if enrolled last spring** (but may need to live near campus to receive funding - must ask program)	NO - students with visas must enroll fulltime	YES*, but cannot receive funding, and likely to lose visa - check with Bechtel
international, with visa	no funding	YES	YES, if enrolled last spring**	NO - students with visas must enroll fulltime	YES, but likely to lose visa - check with Bechtel

* HCP not allowed for PhD students, due to constraints associated with funding. Students seeking a LOA must check with PhD advisor.

** International students who were not enrolled last spring may need to live on/near campus and enroll in at least 1 in-person or hybrid course. Please seek advice from Bechtel if this may apply to you.

*** Students in their last quarter of study, who only need 3-7 more units to complete the MS, should instead petition for part-time enrollment. See:
